

Pinal County  
National Emergency  
Communications Plan Goal 2

# Assessment

# Coordination

- Start Early!
- Coordination with State and Stakeholders

# Communication

- Stakeholders-Don't want to change!
- Working together-Unified Command
- Technical: No codes!

**Our Communications Plan  
Goes Something Like This.....**

# Training

- Must be stressed!
  - ICS Refresher
  - ICS Forms Class
  - ICS Exercise-TTX
  - Radio Communications Training
  - ICS Exercise-Briefings

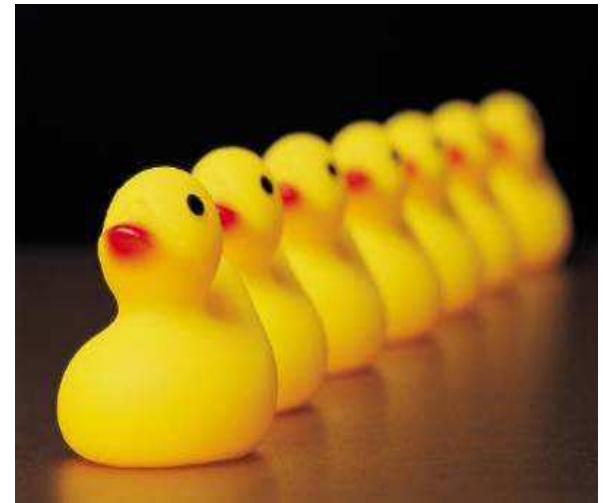

# Lessons Learned

---

- **Briefings with ALL  
Players Early!**
- **Work with State  
Partners Early!**

# Up's

- **Forced Entities to work together-See “big-picture”.**
- **Overall Knowledge/Communication enhanced.**
- **Briefings-All felt they had a contribution.**

# Down's

- **Definite need for additional training!**
- **Refusal to adopt to new changes-"Ten four good buddy"**
- **Understanding that IAP is a useful tool for operations!**
